SUMMER CAMP INFORMATION

PLANNING YOUR SUMMER

If you want your child to have a super charged summer experience, this is it! Summer Day Camps are exciting and fun, and this year you have two levels of camps: Specialty and Discovery Camps.

Camps are organized around Camp Hubs. Each Hub provides an extended camp program on site and transportation to a number of different camps so that you can choose the convenience of dropping off all of your children at one location. *Camp Hubs* on page 11 outlines which camps are served by the hub nearest you as you begin to plan your children's summer. For the child who thrives on variety, choosing several different camps may be the perfect combination. A child who benefits from consistency may find multiple sessions at the same camp the right choice.

ADDITIONAL OPTIONS

To help working parents, all camps offer the opportunity to register for Extended Camp in the morning and/or in the afternoon for additional fees. Also available for an additional fee is transportation from convenient drop-off locations and also to transfer your child to and from an Extended Camp at a different site. Transportation is not included in the Extended Camp fee, so be sure to register if you need this service.

AGE APPROPRIATE ACTIVITIES

Camps are designed for a relatively narrow age range, and campers are often divided into smaller age groups to further enhance this benefit.

All children must be the stated age at the start of the session for which they are registering.

PROGRAM SITE CHANGES

Due to circumstances beyond our control, the Department of Recreation may need to move a program to an alternate site. Parents will be notified of all changes as soon as possible.

CAMP STAFF

Camp staff are carefully screened and selected for their activity skills, level of enthusiasm, ability to work well with children, and good judgment. In addition, training is provided on safety procedures and expected conduct, as well as program planning and implementation. By state law, all staff undergo background checks.

SAFETY FIRST

Safety is a primary goal at camp. Procedures maintain a safe environment so that campers can have a wonderful camp experience. Supervisors are vigilant in ensuring that these procedures are practiced, and camps are inspected by a state inspector during the summer.

SUMMER HEAT

Air conditioning cannot be guaranteed. Fans and cool activities will keep campers comfortable most of the time. When code red alerts and high temperature warnings are issued, programs will not be cancelled, but activities will be modified. Scheduled events may be substituted with alternative activities such as less active games, water play and indoor activities. Camps without indoor facilities may be transported by MCPS bus to a temporary indoor site at the discretion of the Recreation Department.

LATE PICK-UP POLICY

Parents must pick up children promptly at the close of the program. An overtime fee of \$10 per child for each fifteen minutes (or portion of fifteen minutes) is assessed, regardless of the reason for being late. Payment is due at the time of pick-up (cash or check), and a child may not participate again until the late fee has been paid.

CAMP INFORMATION

To prepare your child for camp, a packet of all pertinent information will be sent to each camper close to the start of camp. The information is also available on line at camps.mcrd.net in April.

FRIENDS OF RECREATION SUMMER CAMP SCHOLARSHIP FUND

Help a needy child have a great summer by contributing to the *Friends of Recreation* Camp Scholarship Fund. Your tax deductible contribution will help build a better community by investing in the children of our county. All contributions will be used to send needy children to Montgomery County Department of Recreation summer camps. To contribute to this worthy cause, **please include your donation on a separate check payable to *Friends of Recreation*. Please indicate: Summer Camp Scholarship Fund.**

JOB OPPORTUNITIES

Attention teachers, college students and high school grads! Positions are available as Summer Camp Counselors, Assistant Directors and Directors. If you enjoy working with children and are interested in a fun and exciting summer, call 240-777-6930 for information. Call 240-777-6860 for Aquatic positions including Managers, Instructors, and Lifeguards.

PARTICIPANTS WITH DISABILITIES

Children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: therapeutic recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs. If your child has a 504 plan or IEP at school, please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-6960).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance your child's experience at camp. We cannot guarantee that every child will have a companion every session. Since placements are limited, registration and requests for companions must be made no later than 3 weeks before the start of the program.

If auxiliary aids or interpretive services (ASL, cued speech) are needed, contact a Therapeutic Recreation Specialist no later than 3 weeks before the start of the program (240-777-6960).

LITTLE PEOPLE CENTERS

AGES 4-5

Here's a half-day program brimming with energy, fun and adventure just for 4 and 5 year olds! As a first experience in a camp-like setting, children have the opportunity to develop their creativity, independence and socialization skills in a well-structured and nurturing environment. Activities include exciting games, crafts, songs and stories, all with the goal of encouraging self-expression. Outdoor play that includes water play (but not swimming) and special theme-based activities round out this enriching summer experience. **Children must be 4 years of age and toilet trained at the start of the program.** Programs will not meet on July 4.

CAMP HUBS

EXTENDED CAMPS & TRANSPORTATION

For your convenience, all Specialty and Discovery Day Camps are arranged around Camp Hubs. You may take your children directly to camp or you may drop them off at one of these Camp Hubs, and let us take them to their camps. Each Camp Hub is also the site for an Extended Camp where supervised informal recreation activities are provided for campers before and after camp. The morning Extended Camp runs from 7:00 to 9:00am, and afternoon Extended Camp from 3:30 to 6:00pm.

Montgomery County Public School buses are used to transport children from these Camp Hubs to designated camps. Buses leave the Camp Hubs between 8:20 and 8:30am and return after camp between 3:45 and 4:00pm. Only children who are registered may use the buses. Transportation is not included in the Extended Camp fee, so be sure to register if you need this service.

To help you identify an appropriate camp that is convenient, a listing of the camps and ages served by each Camp Hub are indicated below. Register for the transportation and AM and PM Extended Camps listed with each Camp Hub.

SUMMER FUN CENTERS

AGES 5-12

Summer Fun Centers (formerly Playgrounds) offer a variety of organized and supervised activities focused around weekly themes. Activities may include crafts, art, sports, active games and drama. No off-site activities will be conducted, and no transportation is provided. Participants should bring a non-perishable lunch and drink each day.

These neighborhood sites are "occasional use" programs with no expectation of regular attendance. Participants are not required to stay all day and may participate on a drop-in basis. Site leaders are responsible for children only during the established program hours. Programs will not meet on July 4.

Split Age Sites

To accommodate the large number of children, some locations have been divided by age between two sites.

Sites with Extended Hours

Some sites offer an extended day option for an additional cost.

Age Requirements

Age requirements are noted above each site. Children must be 5 years old at the start of the program and have attended kindergarten. Proof of school attendance may be required.

Dates

Fun Centers are scheduled Monday through Friday from June 30 to August 8.

Hours

Fun Centers are scheduled from 9:00am to 4:00pm or 8:00am-3:00pm with a 3:00pm-6:00pm extended program option.

Fees

\$125 for a six week Summer Fun Center
\$50 for the extended day 3:00pm-6:00pm, at the sites indicated.

Air Conditioning/ Heat & Ozone Alerts

As a rule, facilities are not air conditioned. When code red ozone alerts and high temperature warnings are issued, all programs will limit their outdoor activity. There is no off-site swimming.

Program Site Changes

Due to circumstances beyond our control, the Department of Recreation may need to move a program to an alternate site. Parents will be notified of all changes as soon as possible.
